6th October 2017

IMPORTANT INFORMATION

Dear Parents

On Wednesday 18th October we shall be visiting Kendal Library. We will be meeting the librarians and learning how the library can be used. We will also have a story time in the children's section of the library. I have asked the librarian to send me some application forms for joining Kendal library. If you would like your child to join the library please fill in the application form and send it into school then we can ensure that they become a member on that day. If your child is already a member of the library then they can bring their library card and borrow a book to bring home on Wednesday. We will be leaving school at 9.15am and would appreciate as much help as possible walking to the library so if you are available do please let us know.

If you do not want your child to accompany us on our visit to the library please let us know as soon as possible then we can make alternative arrangements for them.

On Tuesday 17th October and Thursday 19th October we will be having our parents evening for Reception children at St. Thomas's School. Tuesday will run from 5pm to 7.30pm in the EYFS classroom and Thursday will run from 12.45pm to 4pm in the school library. Each appointment is for 10 minutes and you will need to access school via the main entrance.

To sign up for an appointment you will find the signing up sheets at the main entrance to school with the class teachers name and the name of the class at the top. These will be available from Monday 9th October. NB Parents evening for nursery children will take place in January.

I have introduced our house teams and house points system this week. Your child has been put in a house (red, yellow, blue or green) and will be rewarded by being given house points. The children can receive house points for anything at all that deserves praise and from any adult working in school.

I will also introduce our traffic lights system next week. The traffic lights system is part of our school's behaviour policy and more details of this and our rewards system can be found on our school website under "Behaviour Policy". Do please have a look through this and if you have any questions at all please don't hesitate to ask.

Yours sincerely

Sarah J Cunliffe
