Weather

As you know the weather impacted significantly last week on our MUGA installation and our drains around school.

We would just like to thank everyone for their patience as we deal with these issues and to reassure you that the drains have been inspected and work carried out where possible. However, until the water recedes, we are unable to unblock all of them. Please continue to bear with us as we hope for better weather.

Red Nose Day Friday 15th March 2019

Thank you to everyone who supported our Red Nose fundraiser. We all had a brilliant day and managed to raise a whopping **£265.55** which will now be forwarded on.

Thankyou to everyone who is using School Angel when purchasing online. We have managed to raise **£637.42!**

This is a simple way to raise funds for school without costing you anymore than you were intending to spend. Just log on through our school website using the purple School Angel tab on the right-hand side. There are various websites you can buy from e.g. Amazon, Boots and even Holiday firms. So, if you are booking your summer break, use our School Angel if you can. A percentage of what you spend is donated to school.

Parking

Please can we remind everyone not to drive onto the school site when dropping off or picking up children for Larks and Owls and the school day.
